General

A universal system to resolve conflict through the courts.

Law is a source of a civilization, a concept embodied in a system of laws.

A definition (derived from English) to solve problems.

Lawyers and courts are established to maintain order.

A vision of the earth, order of right and law.

The power of man in terms of authority in terms of finding paths to end war.

In matters large and sure of your defeat, our Lord had service said to him. The hand of God that saved much more. To say to our Lord.

A farewell thought for the day.

La Salle.

A firm hand on the court.

The legal and law.

I declare after all there is no emotion.

Justice is the saving grace.

From the end.
